Please review the Hybrid Day Bell Schedule and the Weekly Hybrid schedule that were sent to you last week for more information to help you plan for success. This information is also available on the Ione Junior High School website.

Please also take time to review the health and safety guidelines attached to this email with your student so that they are aware of all requirements.

Our staff is continuing to collaborate about how to best make this transition to Hybrid learning as smooth as possible for our students. All assignments, regardless of cohort or distance learning status, will continue to be accessible in the Google classrooms.

We look forward to welcoming our COHORT 1 students back to campus on Monday, November 16.

For 7th graders, please make sure we have your immunizations on file in the office. 7th graders will not be able to return to campus without their immunizations.
