---

Good Evening Lone Junior High Students and Families,

As we prepare to shift to a 4-day/ week model of in-person learning beginning next Tuesday, April 6th, we would like to share some important information with you to ensure a smooth transition.

1. All in-person students in both cohort 1 and cohort 2 will attend school on Mondays, Tuesdays, Thursdays, and Fridays through the last day of school, Friday, June 4th. **Wednesdays will be asynchronous learning days for all students - 4 hours of work will be assigned by core teachers each Wednesday. Students should plan to spend 4 hours of independent learning time completing their assigned work on Wednesdays, even though they are not attending live classes.**

*\*\*Please remember that Friday April 2nd and Monday, April 5th are both non-school days as we did not use any snow days this school year. Additionally, please remember that we will not have school on Monday, May 31st in celebration of Memorial Day.*

2. The bell schedule will remain the same. School will begin at 8:15 AM and end at 2:45 PM. The A/B schedule will change to A days are Mondays and Thursdays, and B days are Tuesdays and Fridays. Please see the attached schedule for more information.

*\*\*Please note that pick-up and drop-off times will be far more crowded, so please follow all traffic patterns and have patience as we do our very best to have traffic move safely and efficiently.*

3. Distance learning students will now be expected to log in to **all of their classes on all instructional days**, along with completing the 4 hours of asynchronous work assigned on Wednesdays. Please see the attached distance learning schedule for more information.

4. All health and safety requirements will still be in place for all individuals on campus, including students, staff, and visitors to the office.

5. We currently have a limited number of Chromebooks to lend to in-person students who may forget to bring the Chromebook that is checked out to them at school. All students should bring a fully-charged Chromebook and charger to school every day. We will be checking out newer model ASUS Chromebooks to all students with the older model Acer Chromebooks over the next few weeks.

6. Bus transportation to and from school will remain mostly the same. If there will be an adjustment to your student's transportation, the transportation department will communicate with your family. If you have specific questions about bus transportation, please call (209) 257-5180.

We are looking forward to having many of our students return to 4 days/ week of in-person learning. Please contact our front office for further information.

Thank you and have a wonderful evening,

Rich Modesti, Principal
